CERTIFIED QUALITY

ISO Certified · APEDA Registered · 100% direct farm sourcing

PREMIUM SPICES — TURMERIC & CARDAMOM

Turmeric Finger

Premium high-curcumin turmeric fingers sourced from Maharashtra's finest farming regions. Known for its natural bright yellow color, strong medicinal aroma, and exceptional therapeutic properties. Ideal for spice manufacturers, food processors, and wellness applications.

Specifications: 3-5% curcumin content · max 10% moisture · shelf life 24 months · Salem, Rajapuri & Nizamabad varieties

Exporting Regions: India

Turmeric Powder

Vibrant golden-yellow powder ground from premium polished turmeric fingers under hygienic conditions. Retains natural oils, rich aroma, and therapeutic properties perfect for B2B food manufacturers and spice blenders.

Specifications: 80-100 mesh fineness · 3-5% curcumin content · shelf life 24 months

Exporting Regions: India

Green Cardamom

Premium 'Queen of Spices' sourced from lush South Indian plantations (Kerala, Karnataka, Tamil Nadu). Handpicked, graded, and processed to preserve natural green color, rich aroma, and superior flavor.

Specifications: 4-5% min volatile oil content · grades from 6MM standard to 8+MM super bold premium

Exporting Regions: India

PREMIUM SPICES — CUMIN, CORIANDER & PEPPER

Cumin Seeds

High-quality cumin seeds from India's renowned cumin-growing regions (Gujarat, Rajasthan). Machine and Sortex cleaned to meet international standards with strong characteristic aroma and earthy, warm flavor.

Specifications: 99% purity · 2.5-4.5% volatile oil content · Singapore 99 quality · shelf life 24 months

Exporting Regions: India

PREMIUM SPICES — CUMIN, CORIANDER & PEPPER (CONTINUED)

Coriander Seeds & Powder

Freshly dried coriander seeds with mild, citrusy flavor sourced from India's prime growing regions (Rajasthan, Madhya Pradesh, Gujarat). Carefully sorted and cleaned to ensure a low split ratio and fresh, natural aroma.

Specifications: 99% purity · grades: Eagle, Scooter, Parrot · 0.2-1.0% volatile oil content

Exporting Regions: India

Black Pepper

Bold and robust black pepper berries from Kerala and Karnataka with exceptional piperine content. Clean, whole, garbled berries deliver authentic pepper flavor for premium culinary applications worldwide.

Specifications: min 4% piperine · min 500 g/L bulk density · clean garbled condition

Exporting Regions: India

OILSEEDS & GRAINS

Mustard Seeds

Premium mustard seeds from India's major producing regions (Rajasthan, Madhya Pradesh, Uttar Pradesh) with high oil content and pungent flavor. Available in yellow, brown, and black varieties for spice, oil-extraction and feed-grade applications.

Specifications: 99% min purity · 38-42% oil content · shelf life 24 months

Exporting Regions: Worldwide

Soyabean Seeds

Nutrient-dense, non-GMO soyabean seeds loaded with high protein and balanced oil content. Sourced from prime agricultural regions of Madhya Pradesh, Maharashtra, and Rajasthan.

Specifications: 99% purity · 36-40% protein · 18-20% oil content · Non-GMO · shelf life 12-24 months

Exporting Regions: Worldwide

OILSEEDS & GRAINS (CONTINUED)

Basmati Rice

Extra-long grain Basmati rice prized for its fragrant natural aroma and non-sticky texture. Sourced from India's premium rice-growing regions (Punjab, Haryana, Uttar Pradesh) and double polished for a premium dining experience.

Specifications: min 7.0mm grain length · min 95% purity · Sortex cleaned, double polished · shelf life 24 months

Exporting Regions: Middle East, Europe, N. America, Africa

FRESH PRODUCE

Red Onion

Firm, dark red onions from Maharashtra's renowned onion-growing regions (Nashik, Pune), known for sharp flavor and exceptional long shelf life. Hand-sorted and packed in breathable mesh bags for freshness upon arrival.

Specifications: size 40mm+ to 70mm+ · shelf life 45-60 days · origin: Nashik, Pune

Exporting Regions: Middle East, SE Asia, S. Asia

Banana G9

Premium Cavendish G9 bananas harvested at optimal maturity to ensure sweetness and firm texture, sourced from Maharashtra, Tamil Nadu, and Gujarat. Carefully packed in protective cartons to prevent bruising during transit.

Specifications: finger length 18-25cm · TSS 18-22° Brix after ripening · shelf life 30-45 days (reefer)

Exporting Regions: International

Pomegranate

Premium Bhagwa grade fresh pomegranates known for deep red rind and sweet, juicy ruby-red arils. Hand-picked from Maharashtra's finest orchards (Solapur, Nashik) and cold-chain packed for maximum freshness.

Specifications: Bhagwa grade · Brix 15-17° · fruit weight 250-400g+ · shelf life 40-50 days (cold chain)

Exporting Regions: Europe, Middle East, SE Asia
